Chennai, Tamil Nadu

## OBJECTIVE

---

An enthusiastic Information Technology graduate seeking a technical role where I can broaden my skills, gain hands-on experience, and contribute effectively through continuous learning and collaboration.

## EXPERIENCE

---

- Pixtornet Solution Pvt. Ltd., Chennai** April 2024 - June 2024  
Intern
- Designed and developed a responsive Online Sweet Shop interface using Figma, integrating scalable UI components aligned with real-world user flows.
- Used Figma Dev Mode to translate designs into structured front-end code (HTML, CSS, JavaScript), ensuring pixel-perfect implementation.

## TECHNICAL SUMMARY

---

- Programming Languages:** Python, Java, C, JS
- Web Technologies:** HTML, CSS, JavaScript, React, Bootstrap
- Database System:** MySQL, MongoDB
- Data Science & Machine Learning:** R Programming, Pandas, NumPy, Tensorflow
- Other Tools & Technologies:** Git, AWS, Figma, Adobe Photoshop, Power BI

## PROJECTS

---

- Asset Management System (In-House College Project):**   
Tools: Python (Django), SQL, HTML, CSS, JS, Figma
- Developed a full-featured application for tracking and managing college assets across multiple blocks, floors, and rooms.
- Implemented role-based access, login/register system, and an interactive table layout for real-time asset status visualization.
- Designed a dynamic dashboard with modules to add, remove, and transfer assets, using dropdown filters for efficient search and updates.
- E-Delights: Online Sweets Ordering Platform**  
Tools: HTML, CSS, JavaScript, Figma, Canva
- Created a responsive e-commerce interface in Figma, applying UI/UX principles and component-based design for developer handoff.
- Used Figma Dev Mode to extract layout specifications and assets, ensuring smooth front-end development integration.

## EDUCATION

---

- Guru Nanak College of Arts & Science**  
**Bachelor's of Information Technology**  
CGPA: 8.67/10.00
- Our Angel Matriculation Hr. Sec. School**  
Percentage: 73.84%

## CERTIFICATIONS

---

- Cloud computing at NPTEL  
(Elite Rank: Top 1: 75%)
- Foundation of User Experience (UX) Design - Coursera
- AWS - Machine Learning
- CISCO - Data Analytics
